

Winter Warmers

Throughout winter, the bar is offering hot chocolate with a shot of your choice – Baileys to add an Irish kick, Frangelico for hazelnut chocolate lovers, Tuaca to give your sweet drink a caramel twist, or Licor 43, for some vanilla smoothness. You'll also find an out of this world spiked white hot chocolate, blending Mozart white chocolate liqueur with white chocolate syrup. And to make even more of your wildest dreams come true, Left Bank has also added the Nutella Steamer to their menu – made with Nutella syrup and steamed milk with a dash of Frangelico to add some oomph, you'll be taken on a one-way trip to chocolate heaven.
